

mike's
COMPUTER
AND CABLE PLUS

The logo features the text "mike's" in a black, rounded, lowercase font with a white outline. Below it, "COMPUTER" is written in a large, bold, red font with a white outline and a slight 3D effect. Underneath "COMPUTER" is the text "AND CABLE PLUS" in a smaller, black, uppercase font with a white outline. The word "COMPUTER" is partially overlaid by a large, stylized power button symbol (a circle with a vertical bar) that has a white outline and a black fill. Two black cables are integrated into the design: one is a standard Ethernet cable with a blue RJ45 connector, and the other is a USB cable with a black USB-A connector. The cables are positioned around the text and the power button symbol.
